## PROMOTION WORK HERE AND EAST

### Large Tourist Party Coming Next Month

Governor Frazier has intimated that he will be most pleased to extend an invitation to the National Editorial Association to visit Hawaii as soon as that body has finished its conference on the mainland. This was thoroughly talked over at a meeting of the Promotion Committee held Thursday afternoon, but no further action was taken.

The matter of making statuettes, representing a surf rider, as a means of advertising Hawaii, was referred to Secretary Wood, who is at present in Atlantic City attending to the opening up of the Hawaii exhibit on the Board walk. As Mr. Ushorne is now in the eastern part of the states that matter will probably be attended to by Mr. Wood while there.

Another letter from Manager Milne of the Examiner Orient-tour party was read in which he made reference to the proposed high charge for luncheon offered by Manager Hertschke of the Young Hotel, and stated he was glad to be advised that the luncheon would be provided for \$1 per head by other hotel managers. He was also satisfied with the rates offered by auto companies for drives about the city. The party, numbering about two hundred people, will be here next month.

A good part of the time of the committee was taken up in discussing the actions of an advertising agent who, it would appear, is using the Promotion Committee as a means of furthering his scheme in the collections of advertising.

"March 31, 1910.  
To Whom It May Concern:

"The bearer, Mr. Ellis A. Davis, is known to the Hawaii Promotion Committee as the publisher of a World Atlas and Cyclopaedia. During the past year the committee has furnished Mr. Davis with various data and photographs for a Hawaiian edition of his work, which he informs us is now completed. The advance sheets of the book, which we have seen, appear to be all that the author claims for the work.

"Very truly yours,  
"THE HAWAII PROMOTION COMMITTEE.

"By Will J. Cooper, Acting Secretary."

The above is the letter furnished to Mr. Davis, the gentleman connected with the advertising scheme, by the Promotion Committee.

When Mr. Cooper found that Davis was making use of the committee's letter to secure ads, he called Mr. Davis to account and placed a notice in the newspapers to the effect that the Promotion Committee was not backing up the scheme of Mr. Davis.

The committee is very strongly of the opinion that in future all advertising schemes, particularly those originating on the mainland, shall go before the Chamber of Commerce printing committee. The Promotion Committee also desires business men generally to ascertain from advertising promoters whether or not they have the endorsement of the printing committee before committing themselves on the advertising question.

## A DAINTY TOILET ARTICLE.

Every lady who desires to keep up her attractive appearance, while at the Theater, attending Receptions, when shopping, while traveling and on all occasions should carry in her purse a booklet of Gourd's Oriental Beauty Leaves. This is a dainty little booklet of exquisitely perfumed powdered leaves which are easily removed and applied to the skin. It is invaluable when the face becomes moist and flushed and is far superior to a powder puff, as it does not spill and soil the clothes.

It removes dirt, soot and grease from the face, imparting a cool, delicate bloom to the complexion. Sent anywhere on receipt of Five Cents in stamps or coin.
